## **Alcan** takes some heat, hires new division boss; ALUMINUM

The Canadian Press

MONTREAL - **Alcan** Inc. announced a new chief executive of its bauxite and alumina division, a business under fire from social activists for a major bauxite mine proposed for India.

Jacynthe Cote, 47, was introduced to shareholders at the annual meeting, where activists threw accusations at CEO Travis Engen, both for the India project and **Alcan's** intentions at Kitimat, B.C.
